29) I agree with the views of the Economy officer A Supt of the comptroller's office could really exercise some supervision over the work of this office, which is overwhelmingly of the nature of that in a P W Division office subject to the conditions postulated by the Economy officer there is no objection to the conferment of the mere rank of a G O on the present office Assistant

29.8.48

30) I fail to see the purpose of the proposal in the Dcs the Appeal to confer an extention conferring the rank of a GO means no increase in Emoluments This successor is not to be a GO there is besides the danger of the colleagues in Mysore & BBB claiming similar status Hence no need to reconsider the proposal once rejected already.

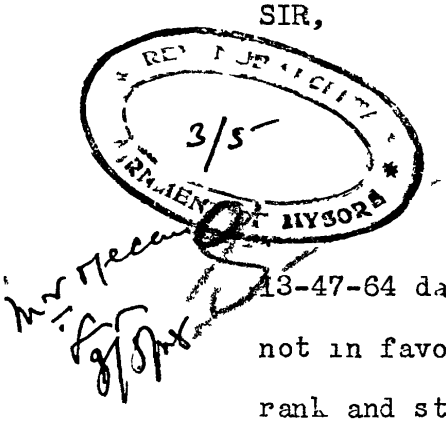
SIR,



SUB - Raising the rank and status of the Office Assistant of the City Improvement Trust Board, Bangalore City

With reference to your letter No L 15329/Ml. 13-47-64 dated the 31st March 1948 stating that Government are not in favour of sanctioning the Board's proposal to raise the rank and status of the Office Assistant to that of a Gazetted one, I have the honour to state that when the letter was placed before the Board at its meeting held on 16-4-1948, the Board expressed its great concern at the decision of Government in the matter The Members reiterated their view that it was very necessary for the Chairman to have a Gazetted Assistant in view of the increasing activities of the Board and the consequent increased strain on the Chairman who had to attend to all the routine duties which would take away much of his time and that if a Gazetted Assistant was given to him, the Chairman could be relieved much of his routine work so that he could concentrate his attention to more important works and see th the expeditious execution of the major schemes on hand

2 They also felt that the present Office Assistant who by his integrity and loyal work proved himself to be a very capable and efficient, deserved to be gazetted as a reward for his devoted services all these years

3 After considering all this in detail, it was

2.

unanimously resolved by the Board that the Government be urged to reconsider their orders and requested to sanction the previous resolution of the Board and that Government be also requested to extend by one year, the services of Mr Ramanuja Iyengar in view of the fact that he would become superannuated on 23-6-48 and has to retire from service thereafter An extract from the proceedings of the meeting in regard to this subject is enclosed for favour of reference

4 I feel that in the interests of the efficient administration of the Board and the prompt execution of the several schemes now in different stages of progress, it is desirable that the Chairman should, as far as practicable be relieved of the routine work This cannot be done unless the Office Assistant's rank is improved and his status raised

5 Mr Ramanuja Iyengar has, as already stated in my previous letter, fully qualified himself to the post of a Gazetted Assistant His record of service of over 33 years in the Revenue Department and the efficient and conscientious work done by him in the Board, these 2½ years nearly has been appreciated by the members of the Trust Board. (vide copies of his credentials enclosed to this office letter No 233/47 dated 3-1-48) He has been in this office since its inception and is fully conversant with the working of the various scheres He is quite healthy, active and energetic He possesses a very good character and has proved himself capable of dealing cordially with the public as well as with his subordinates He is well suited for the post of a Gazetted Assistant

6 I request that in the circumstances detailed

above and in my previous letter of the 3rd January 1948, sanction of Government may kindly be obtained to raise the rank and status of the Office Assistant to that of a Gazetted Assistant and continue the services of Mr Ramanuja Iyengar against the post As already stated, this proposal does not involve any extra financial commitment to the Board Further, sanction of Government may also be kindly obtained to grant Mr Ramanuja Iyengar an extension of service of at least one year from 23rd June 1948 as resolved by the Board so that the Board may have the benefit of his services for some more time His service Register is enclosed for reference and return.

SUB NO 17 -

Letter No L 15329/M1 13-47-64 dated 31-8-48 from the Revenue Secretary to Government, stating that the Government are not in favour of sanctioning the proposal of the Board re raising the rank and status of the Office Assistant to that of a Gazetted one

The Members wanted to know why the recommendation of the Board had been turned down by Government

The Chairman explained that the Board had felt that having regard to the fact that Mr H Ramanuja Iyengar had discharged his duties in a very satisfactory manner and was at the end of his official career with a uniformly good record of service throughout, he could be Gazetted particularly since it did not involve any increase in his Salary or emoluments The Board had also felt that in view of the increasing work in the office of the Trust Board and the heavy strain on the Chairman, it was very necessary that the Office Assistant should be of the Gazetted rank so that he could attend to the routine duties which would be enormous. So, the Board recommended that Mr Ramanuja Iyengar, the present Office Assistant who was doing very good work, be gazetted

The Government stated that the proposal did not commend itself to them

Mr. D R Puttanna speaking said that it was a pity that the resolution of the Board been turned down He could testify to the hard and efficient work of the Office Assistant and said that he deserved to be Gazetted as a reward for faithful and selfless service very efficiently done He was also of the view that a Gazetted Assistant was necessary to the Chairman

Mr Anantharaman and Mr Keshavaiengar fully agreed with the above sentiments both as regards Mr Ramanuja Iyengar personally and as regards the absolute necessity of a Gazetted Assistant to the Chairman Till now, the work was preparatory Good deal of spadework had been done, plans had been prepared and schemes were getting sanctioned in quick succession To get through the Schemes involving many questions of details and to see to their expeditious execution, the Office organization had to be exceedingly efficient and left under the control of an efficient Officer with necessary status The Assistant would have to interview hundres of visitors, many of them were persons of importance and also the poor and middle class people This required considerable tact and patience which would be expected only from a very good Officer.

5

The Members expressed that from all these points of view, Mr Ramanuja Iyengar had come up to their expectations and that it would be a pity to lose his services They were therefore of the view that the Government should be approached again and urged to reconsider their order, both as regards Gazetting Mr Ramanuja Iyengar and as regards the necessity of sanctioning a Gazetted Assistant to the Chairman

Mr Puttanna moved

"That Government be urged to reconsider their orders and requested to sanction the previous resolution of the Board and further that Government be also requested to extend the services of Mr Ramanuja Iyengar by one year."

This was supported by the other members and the resolution was unanimously passed.

Respected Sır,

I, M.R Devaraja Rao, Superintendent, Municipal Office, Mysore City under orders of transfer to the Chitaldrug District Board and on leave, beg to submit the humble representation to your kind notice and favourable consideration

After passing the Batchelor of Commerce Degree Examination of the Mysore City, I joined service in the Bangalore City Municipality in 1922. After working as Head Clerk in various sections, I was appointed as Head Accountant in 1930 in grade Rs.70-5-100 in a permanent vacancy At this time the question of raising the scale of pay of the officials of the Local Bodys so as to be on a par with the scale of pay of the officials of the Revenue Department was taken up, to facilitate the transfers of the officials of the Local Bodies In the revision sanctioned in 1935 the scale of pay of the Head Accountant was fixed @ Rs.80/-. On my representation that this affected my original scale I was promised that I would be given one of the higher posts which were about to fall vacant shortly But, immediately after the revision of scales, transfers were effected early in 1936 and the posts of the Revenue Officer, Octroi Superintendent, and Office Assistant etc, were given away to officials who were by far my juniors and who had put in about to 7 to 8 years of service in the Bangalore City Municipality against my 14 years of service. I quote below a few instances for your kind information.

1 The present Market Superintendent Sri Swaminathan was drawing about Rs 40/- in 1936 while I was drawing Rs.80/- from 1-1-1933 in grade Rs.70-5-100.

2.Sri Annadanappa, the present Revenue Officer was drawing Rs.50/-

3.Sri. Siddalingappa, the present office Assistant was working on Rs 60/-.

My repeated representations to the Bangalore City Municipality, the Revenue Commissioner and the Government to consider my seniority and grant me one of the posts when they

16

when they were vacant, were not considered on the score that I was no longer working in that Municipality though the provincial transfers were introduced so that the highers posts might be given to the Senior Officials of the Local Bodies according to the Seniority.

After repeated supercessions I was given the grade of Rs.90-5-120 in 1939 and from 1946 I was working on Rs 120/- as Superintendent of Municipal Office with a Duty Allowance of Rs 20/- in view of my good work and heavy responsibilities. In the recent general revision the scale of pay of the office Superintendents and Managers of almost all the Offices in the State has been fixed at grades varying from Rs.150-10-250/- to Rs.150-10-200/- from 1-1-1947. But again as my ill-luck would have it, my scale was fixed at Rs.110-8-150 on account of the alleged financial stingency. The Council had promised that they would consider my case on individual merits after allocations were sanctioned. At the time of preparation of allocations, I pointed out that I would be getting the maximum pay in the revised scale viz 150/- from 1-1-47 itself, and would have no further increments for the next seven years of my service through the sole object of the revision of the scale was to enable the officials not only to get some immediate increment but also to allow them to earn further increments subsequent to 1947 and procure higher pension

But history has again repeated itself Soon after the allocation was sanctioned I am again transferred now from the Mysore City Municipality and the Pay Revision Committee before whom the question of revising and fixing my pay @ Rs 150/10/200 was pending have resolved that I may submit my representation to the concerned authorities through the office to which I am now transferred I am now transferred. I leave it to you, respected Sir, to imagine what disappointment these repeated misfortunes have caused me depriving me of my legitimate chances of promotion and preferment.

I humbly beg to bring to your kind notice that I am the Senior most official serving in the Local Bodies of the State

17

having put in a service of 27 years (17 years in the premier City Municipalities of Bangalore City and Mysore and 10 years in the Bangalore, ~~and~~ Mysore (before bifurcation) Kadur District Boards) and I am drawing Rs 150/- from 1-1-47 in grade Rs 110-8-150 and have yet 5 years of service, ~~in grade 110-8-150~~ I am senior to all the Head Clerks of the District Offices in that grade and I am senior to many officials who are working as District Sheristedars My name has not been included in the cadre of Head Clerks of the Revenue Departments ~~and~~ as my entire service has been in the Local Bodies, As such, I must be given some chance of promotion in the Local Bodies atleast at the fag end of my service, in view of my good work which has won uniformly good praise from the Officers and non-Officers ~~Presidents~~ under whom I have served, as the several references made to Government for the grant of advance increments and duty allownaces made from the District Boards and Municipalities testify.

I now learn that the Office Assistant to the Chairman of the Bangalore City Improvement Trust Board in grade Rs 170-10-250 has to retire in June 1949. In view of my seniority in grade 110-8-150 which is next to the grade of 170-10-250 and in view of the fact that I will be losing my present Duty Allowance of Rs 20/- owing to my transfer from the Mysore City Municipality and also in view of the fact that I was working as Head Accountant of the previous Bangalore City Improvement Office which was abolished in 1929, I request that Government may be pleased to appoint me as Office Assistant to the Chairman of that Trust Board and to any other suitable post carrying a higher than my present pay for which I will be ever grateful

Yours faithfully,

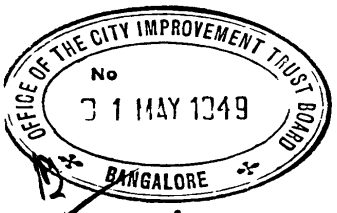
Respected Sir,

I beg kind permission, Respected Sir, to submit the following few lines for your kind perusal and favourable consideration



OA

Please send all these to the Selection Committee

31/5/49

I am given to understand that applications are invited to fill up the vacancy of Office Assistant of this office and I pray that my case may be considered favourably for being appointed in the said vacancy in preference to officials from other offices

I entered service in 1926 and have since then worked in several capacities in a number of offices I have been working in the Trust Board, Bangalore, practically from the time of its constitution and am quite conversant with all its schemes I am the next senior official of the Section to which the Office Assistant belongs and have been placed in charge of his work whenever he was on leave

As regards my qualifications, I beg to submit that I have passed the B A Degree Examination and the marginally noted Local Service Examination and put in nearly 23 years of honest and hard service to the best satisfaction of my superiors

Revenue Higher
Criminal Higher
Accounts Higher
Registration

In this connection, I beg permission to bring to your kind notice that promotion to Higher appointments are generally granted to officials in the same unit and the cases of officials outside the Unit are not considered My case, for instance, was not considered at the time of filling up of the posts of Octroi Superintendent and Market Superintendent in the Bangalore City Municipality and vice versa, officials

21

from outside offices cannot claim promotion in this office This principle has been accepted by Government while filling up the post of Superintendent of the Constituent Assembly Office in the General and Revenue Secretariat and the seniormost official of that section was appointed Superintendent of the Section in preference to his seniors in the other Sections of the General & Revenue Secretariat Government have enunciated this principle in connection with the filling up of the post of one of the Superintendents of the Revenue Commissioner's office recently which post carries the same grade pay as that of the Office Assistant of this office They have held therein that the post of the Superintendent of the Revenue Commissioner's office should be conferred on the seniormost official of the Revenue Commissioner's office, as that Office is a Unit by itself, to the exclusion of several seniors in the other offices of the Revenue Department under the control of the Revenue Commissioner I happen to be the seniormost official of the Unit in which I am serving and in fairness the promotion in the Unit ought to go to me

In conclusion, I beg to submit that for the following important reasons amongst others viz ,

1 My long and faithful service of nearly 23 years
2 My qualifications which are better than those of the others, a n d
3 By virtue of my seniority in the Unit as stated above, I pray that I may be

promoted as Office Assistant in this office

My salary i e , pay + Deputation Allowance after my next increment (Allocation is not yet sanctioned) will be Rs 151/- and the minimum pay of the post of Office Assistant is Rs 170/- in grade Rs 170-10-250/- The promotion prayed for will thus give, while it improves my emoluments to some extent gives, me enthusiasm to work with greater zeal

Once more I pray, that in consideration of the

above facts, I may be appointed as Office Assistant in this office.

I beg to remain,
Respected Sir,

Sir,

In forwarding herewith, in original, the application of Sri H T Lakshminarasimhachar, Manager of this office, for the post of Office Assistant to the Chairman, City Improvement Trust Board, Bangalore, in the grade of Rs. 170-10-250 plus a Duty Allowance of Rs. 50/-, for favour of sympathetic consideration of Government I have the honour to state that the present permanent pay of Sri Lakshminarasimhachar as Manager of this office is Rs 170/- in the grade of Rs. 150-10-200 plus a Duty Allowance of Rs 20/- and he has been provided with rent-free quarters. He has put in a total service of nearly 25 years and 10 months as detailed in the margin

2. Mysore City Municipal Office	"	13-	6
3. Revenue Department	"	2-	0
4. K G F Sanitary Board office.	"	6-	4
Total		25-	10

He has maintained a very good record of service - throughout as could be seen from his service records Even as Manager of the Sanitary Board Office for the past six years, he has done good work especially in connection with measures calculated to improve the efficiency of the office and augment the resources of the Sanitary Board

I understand that he is the seniormost of the officials of Local Bodies in his present grade. I fully concur with the opinion

expressed about him by several Deputy Commissioner Presidents that he is a very efficient official. With his experience of the work relating to premier Local Bodies and in particular, work of the Mysore City Improvement Trust Board, I think that he will be really useful to the Bangalore City Improvement Trust Board.

In the circumstances and in view of the fact that he has no chances of promotion in this office in the near future, I recommend that Government may be pleased to consider his application for the above post (on the present emoluments attached to the said post) sympathetically. His character book and service register are enclosed for favour of reference and kind return.

The Mysore City Municipal Council and all the several Officers under whom I had the privilege to serve during these nearly 26 years have been pleased to record their high appreciation of the services rendered by me in several capacities with particular reference to (i) special works such as the compilation of the Rules and Bye-Laws of the Mysore City Municipality (1939 edition) and (ii)measures of initiative and development in the Sanitary Board, as could be seen

by a kind perusal of my service records. Many schemes calculated to improve the efficiency of this office and to augment the revenues of the Sanitary Board were initiated and brought into effect during my term of office here. The President has been pleased to record his appreciation of my humble contribution towards the beneficial results achieved by the Board in this direction.

As I am the seniormost of the officials of Local Bodies in the State (in the present grade) and as I am qualified for the post of Office Assistant referred to above, I request the favour of a reference being kindly made to Government recommending my prayer for favour of sympathetic consideration in view of my loyal service for nearly 26 years and in view also of the fact that I have only a few years of service left for retirement I shall be deeply grateful for the favour of sympathetic consideration of my prayer

To

The Secretary to Government,

Respected Sir,

With reference to your kind endorsement No L 12994 dated 9th May 1949 intimating that my application for being appointed as Office Assistant to the Chairman, City Improvement Trust Board, Bangalore has been forwarded to the Chairman of Board for consideration, etc, I humbly beg to state that I learn that this appointment is to be made by the Government itself As such I crave your indulgence to submit the following facts once again to your kind notice -

(1) ~~Bangalore~~ I am the senior most official in the Local bodies being a graduate and having put in a total service of 27 years as noted below -

(a) Bangalore city Municipality in all branches and as Head Accountant for 5 years in grade Rs 70-5-100/-	1922-36	14 yrs
(b) As Head Clerk of the Kadur, Mysore (before bifurcation) and Bangalore District Boards	1936-46	10 yrs
(c) Superintendent, Mysore City Municipality	1946-49	3 yrs
	Total	27 yrs

(2) A Duty Allowance of Rs.20/- was sanctioned to me 5/1946 by Government in G O. No L 2173-4 and 11-46-184 dated 7-8-1947 in view of my good work and responsibilities as the scale of the post was very low ~~and~~ the question of revising the grade to be on a par with the scale of pay of Superintendents and Managers of other offices in Government Departments was proposed to be taken up during the general revision

(3) During the General Revision I again pressed my case for consideration But though the council was sympathetic towards me, their finances were so bad that they abolished many of

35

the First Class posts in the ministerial grade and fixed the scale of pay of the post of the Office Superintendent very low at Rs.110-8-150/- against the scale of Rs.150-10-200/- and 200-10-250 in the Government Departments for similar posts It was however promised that my individual case would be considered after the Allocation was sanctioned.

(4) The Allocation of the Municipality was sanctioned in March 1949 and I submitted my application for the consideration of my case for a better scale But in the meanwhile orders were received on 11-3-1949 from the Revenue Commissioner transferring me from the Mysore City Municipality to the Tumkur District Board and then to the Chitaldrug District Board The pay revision Committee of the Municipality before whom my case came up for consideration resolved on that I may submit my case for consideration from the Office to which I am now posted (copy enclosed)

(5) By this I have not only lost the chance of getting a higher scale of pay, but I have also been deprived of the Duty Allowance of Rs.20/- which was granted to me from May 1946 in view of the low scale of the pay of the post and in view of my good work and responsibilities

(6) In the General Revision, my cale of pay was fixed at Rs.110-8-150/- and being a senior official my pay was fixed at Rs.150 from 1-1-1947 itself with no prospects of increments for the four years of my service and also losing the Duty Allowance of Rs.20/- which was granted to partly compensate me for the low pay scale

(7) I am the senior-most official in the grade of Rs.110-8-150 and getting Rs.150/- from 1-1-1947 and am senior to all the Head Clerks in that grade in the Revenue Department of the Local Boards. As such I have to be promoted to this vacancy in preference to others

(8) I have no chances of being appointed as District.

District Sheristedar as my entire service has been in the Local Bodies.

9 The vacancy of the Office Assistant in the Bangalore Trust Board has to be given to me as I am the senior most official in the Local Bodies and as I have no other chances of promotion there and as my juniors have superseded me in Bangalore city Municipality, which is the only Local institution having some higher grades when vacancies occur there, they are given to the clerks of that office only as there is no graduation test as in the case of Revenue & other departments

10. Though every official has got a good scale and increment, I have been a victim (undeservedly) in not getting a good scale owing to the bad finances of the Municipality and my prospects have been marred I have been stagnating on Rs.150/- from 1-1-1947 with no increments. If this chance is also denied to me I will have no promotion till my retirement in 1954

I therefore pray that, taking into consideration the above facts and my uniformly good service of 27 years as evidenced by numerous recommendations made to Government from time to time for the grant of Advance Increments and promotions to me by the various officers, under whom I worked and that I have got only five years more to retire and that there may not be any such vacancy in the near future, you may be pleased to favour me with this post If this is not possible, I pray that I may at least be given some suitable promotion in the seriatim arrangements that may be made in this connection, for which I shall be eternally grateful

To

Ali Janab Mir Safder Hussain Saheb, B.A.,
General Secretary to Government, Bangalore.

The humble representation of M R Devaraja Rao, Superintendent Municipal Office, Mysore (on transfer and on leave) praying for being promoted as Office Assistant to the Chairman of the Bangalore City Improvement Trust Board carrying a grade pay of Rs. 170-10-250/- or any other suitable post as he is the senior most official of the Local Bodies and drawing Rs 150/- from 1-1-1947.

4/6/49

Respected sir,

With reference to your kind endorsement No L.12994 dated 9-5-49 intimating that my application for appointment as Office Assistant to the Chairman of the Bangalore City Improvement Trust Board has been forwarded to the Chairman of the Board for consideration etc., I humbly beg to state that I learn that the present Office Assistart is to be retired in a few days and that the vacancy is to be filled up by Government.

I have already submitted, in my previous applications, information showing my claim to the promotion on account of my seniority among the officals of the Local Bodies wherein my whole service of 27 years has been rendered and my grade has been fixed very low at 110-8-150 in the Mysore City Municipality owing to stringent finances and that I have been drawing the maximum of Rs 150/- in that grade from 1-1-47 without any scope for further increments and that I am the seniormost official in that grade even among the head clerks of the District Office and that this post has to be given to the officials of the Local bodies as we are not taken to Revenue Department I further beg to bring to your kind notice that my recent transfer from the Mysore City Municipality has suddenly deprived me of the Duty allowance of Rs. 20/- P M which has placed me in an awkward position.

I also learn that the present manager of the K G F. Sanitary Board whose scale of pay was on a par to my scale prior to the

P T O

25

General Revision viz , Rs. 90-5-120 but which was revised to Rs. 150-10-120 against my scale of Rs. 110-8-150 has been recommended for the post He got the scale of 90-5-120 in 1946 whereas I got thet grade in 1939 and as such I am senior him.

In case he is considered as my senor and now on account of his present higher scale I humbly request that I may at least be posted in his place as manager of the K G F Sanitary Board in grade 150-10-200 in view of the fact that I have no other chances of promotion inspite of my seniority and meritorious serice of 27 years in the Local Bodies and have only 4 years more to service for which I shall be ever grateful.

Yours faithfully,
M R DevaRajaRao

City Municipal Office on leave.
